

EPA Training Opportunity

We are scrambling to put together an overflow class for Wednesday January 27th now that Monday and Tuesday are sold out.

Please RSVP Steve@HomeworkRemodels.com if you would like to attend a class on Wednesday.

We will contact you to finalize your registration as soon as we have enough applicants for an additional class on Wednesday January 27, 2010.

The fee for the class will be \$250.00 general admission or \$225.00 for association members.

Please include your name, company, and phone number in your request.

Thank you for supporting the educational events of the Greater Phoenix Chapter of NARI.
