NARI Holiday Gala ~ An Angel Affair~ Benefits NARI & Angels on Call Saturday, December 13th from 5:30pm ~ 11:00pm

There are just a few seats left for the NARI annual holiday celebration which this year benefits Greater Phoenix NARI & Angels on Call. Located at the Starfire Restaurant at the Scottsdale Country Club on Saturday, Dec. 13th, from 5:30pm—11:00pm it's an evening you won't want to miss.

Tickets are just \$65.00 paid in advance or \$75.00 each at the door. Angels on Call assists low/fixed income home owners with needed safety, security and quality of life repairs.

This year promises to be absolutely spectacular. Tai Goidich, Special Events Chair adds “We've made it much more central and kicked it up a notch in terms of the really great food and entertainment.”

Dinner entrees include your choice of chef prepared roast beef au jus and creamy horseradish with trio of roasted potatoes and herb garden vegetables or chicken roulade with fresh basil and plus tomato coulis. And for the first time, there will be live music from Singer/Guitarist Steve Domer.

One of several highlights for the night will be presenting the seven CotY award winners with their awards. We had a record seventeen entries. Many of the local entrants went on to enter their binders in the CotY Nationals. Wayne Griffin, CR of AFS Building Group, Inc. put together a slide show of the entrants for our review. And of course, the winner of the 2009 Contractor of the Year “Best of Show” will be announced. This lucky member will grace the cover of the 2009 Membership Resource Directory.

Barry Flemming, CAPS CR CKBR of Kirk Development Company will run the live auction. Auction items include dinners at fine and casual establishments, tickets to the Phoenix Suns and Arizona Diamondbacks, gift baskets and loads more.

This is one event you do not want to miss. Dress is professional business/cocktail. Please call the office today to make your reservation for an evening of fun at (480) 419-1631 or if you still would like to donate. Thanks!

Professional Remodeler hosts Jan. 14th Seminar & Meeting

Enjoy cocktails, a buffet dinner and networking followed by a special presentation by *Professional Remodeler's* Editor in Chief, Mike Morris. Morris's topic “Strategic Marketing in Today's Economic Climate” will cover: targeting past customers, breaking down barriers with marketing, marketing to emotions, the economic climate and the customer and why E-Media makes sense. This is one of several seminars planned this year by your Chapter, and one you certainly don't want to miss.

Morris is a member of NARI, the NAHB Remodelers' Council and sits on the Harvard Joint Center for Housing Studies' Remodeling Steering Futures Committee. The cost is just \$25.00 and space is limited. Attendance qualifies you for 0.1 CEU's. Watch for the January newsletter for all of the details and to make your reservation.

A Message From The President

Gary Wheat, CAPS CR
Kirk Development Company

December 2008

Welcome friends:

“THANK YOU”. Those words just don’t seem enough.

There are so many people I want to thank for their efforts and support this year that I found it hard to know where to start.

Jetta Atkinson, our Chapter Director, is at the top of my list! Without her tireless work at the meetings and behind the scenes, we would not have been able to accomplish all of the great things that we did this year. Thank you Jetta, for always going the extra mile!

Thank you to all of the 2008 Board of Directors and Committee Chairs and the many volunteers, for your time and energy. It has been much easier to handle the month-to-month operations of the Chapter when it is not the “same twelve people” doing the multitude of tasks needed to keep the wheels turning.

Thank you to my Vice President, Brian Puglisi CR of NY Design Build Inc., and Secretary Brian Young also of NY Design Build Inc. for keeping things running smoothly and making the dinner meetings much more beneficial to all our members.

A special “thank you” goes to Steve Ripley from United Mortgage Financial Group and his wife Kathy, for taking on the difficult task of Treasurer for our growing Chapter.

The Past President’s Council continues to guide and offer experience to the ever changing challenges of each new President and Board. Thank you gentlemen— I look forward to finally joining your ranks.

And of course thank you to all of our members! I promise that Greater Phoenix NARI will continue to offer you and your company the opportunity to be associated with ethical and quality-conscious professionals who make a difference in the remodeling industry.

Have a safe and happy holiday, and see you at the PARTY!

Remember- “If you see someone without a smile- Give them one of yours.”

I look forward to meeting you at our next event!

Sincerely,

Gary Wheat

Free Admission—Maricopa County Home & Garden Show

The Maricopa County Home Shows proudly supports **Arizona StRUT** (Students Recycling Used Technology) this Jan. 16, 17 & 18th.

Attendees who bring any used computer or computer components to the AZ STRUT collection trailer at the North Red Entrance will receive free admission.

Did Santa bring you a new lap top? Don't worry about disposing your old dinosaur of a pc, simply bring it to the home show to support a

worthy cause. AZ STRUT will take your old PC, server, mouse, keyboard, monitor, cables, hubs, routers etc. and they will recycle and re-use. And you get your admission free. What a deal!

Founded in 1997, AZ STRUT is a partnership with founding members Intel and Motorola along with APS, Sechler CPA and NARI member **Stardust Building Supplies** as well as local schools and businesses where students learn new skills by refurbishing used

computer equipment. The equipment is then donated to schools and other qualified non-profit organizations throughout Arizona. Last year alone, 349 schools and organizations received refurbished equipment through the program.

We hope that you will support the efforts of this worthy organization and of course visit the Home Show. For more information on AZ STRUT, visit www.AZSTRUT.org or call (480) 222-4066.

Volunteer to work the NARI Booth @ the Home Show from 10am—7pm Friday & Saturday & 10am—6pm Sunday.

Meet potential customers and you might win \$100.

Contact Gary Wheat, CAPS CR at GWheat@kirkdevco.com or at (602) 919-2432.

Teleseminar 12/16: Make the Most of Your '09 Home Show

NARI National continues to raise the bar on the amount of opportunities to members on ways to grow business through educational seminars, webinars and of course the many NARI certification programs.

Members should receive monthly updates electronically from NARI National.

Teleseminar: Trade Show-manship. Dec. 16th—1:30 MST. Presenter: Adrienne

Zoble. Zoble states that many remodelers generate a significant portion of their leads from home shows, but asks, "How do they adequately prepare for these events? How do they get people to their booths?"

Zoble shares with members four integral components to a trade show. Learn why those that concentrate on their exhibits only reap minor benefits from home shows. Home shows are money

and time investments. Learn how to ensure your investment pays off and then some.

Cost: \$75.00.

Order: NARI Learning Center (nari.org/learning)

NARI Credits = 1.5 Continuing Education Hours/.15 CEUs.

For more information, contact Jessica Noe at National at 1 (800) 611-NARI.

Congratulations goes to our latest certified member, Steve Shinn, CGP of Homework Remodels. Steve earned his certification as a Green Certified Professional.

Scam Targets Arizona Business—Gary Harper/ 3 On Your Side

If you operate a business, big or small, *3 On Your Side* has a warning about a scam that's out there right now.

Cori Ferguson owns a small consulting business in the West Valley. She received a letter recently asking her to update her business information with the state. It got her attention because it came with the "Arizona Corporate Headquarters" (ACH) information at the top of the

envelope. ACH requested Ferguson to fill out a document and then, if her business was in good standing, mail the document along with a check for \$125 back to Arizona Corporate Headquarters within 15 days.

She was skeptical, and good thing, because the Arizona Corporate Headquarters is not affiliated with the Arizona Corporation Commission, the state agency that facili-

tates business and organizations in the state.

When *3 On Your Side* checked the location of the Arizona Corporate Headquarters, they found the suite to be a PO Box at a UPS store on Central Ave.

The Arizona Corporation Commission filed a formal complaint with the Attorney General's office
