

# ROC, AARP & NARI-Arizona Day of Volunteer Service -Thursday, May 10th

Back row L-R, KoKo Stiers, Bob Loecker, Gary Wheat, Jason Lacquement, George Brunell, Tom Dederichs and Mrs. Lois Alexander (front row).

On May 10, NARI Volunteers joined AARP at the home of Lois Alexander, an 84 year old woman living alone in a 50 year old home. The house needed a variety of repairs, including roofing and drywall patches and minor electrical work. After a fresh coat of paint and some yard work, we planted some new vines and flowers to brighten up the place. Standing in front of the home with Mrs. Alexander afterward gave us all a sense of pride and accomplishment! It takes so little time but benefits are long lasting when you enrich someone's life.
